

BRUTHEN CARAVAN PARK TERMS & CONDITIONS

Bruthen Caravan Park opens up to include the Rec Reserve sports ground on the weekend of the festival. Campers are invited to set up from Friday Morning, and can stay until the Monday.

Around 5pm, Bruthen Blues & Arts Festival will be there with an info booth for any questions, ticket sales and exchanging on-line ticket purchases for Wristbands.

The usual terms and conditions apply (see website) but here are a few things to remember specific to camping on the oval.

- for the weekend, we have divided up the grounds; an area for families (quiet) and for night-owls. Please camp where you best see yourself
- campers are asked to be respectful of others and noise kept to a minimum after 2am
- DOGS ARE ALLOWED! but must be supervised and on a lead the entire time. Dogs must be cleaned up by their owner straight away
- portable generators are not permitted
- NO FIRES! absolutely no open fire of any kind
- please consider water conservation when showering. Young children are to be supervised when using the showers
- camp ground is GLASS FREE. Please respect this rule as it helps makes our festival safe for everyone
- for the safety and respect of fellow campers, people without Wristbands are asked to leave camp site 10pm each night
- The committee reserves the right to eject patrons not abiding by the above conditions. If patrons are ejected no camping fees will be refunded.
