The shady environs of Bruthen's Main Street gardens are host to a street market on the Saturday and Sunday of the Festival. The stall spaces extend into Ronald Street (a side street) and into the grounds of the Mechanics Hall.

Live music on the Saturday and Sunday adds to the atmosphere of the market and daytime events. Please note that the layout maybe changed for 2022 due to Covid 19 restrictions.

The market has up to sixty stalls, and we seek quality stalls such as musical, crafts, clothing, food and produce, children's items and activities, and other stalls that fit into the style expected at a community music and artsc festival.

NEW! For 2022 we are introducing a section devoted to local produce, craft and art to showcase what we have here in [East Gippsland](#).

Covid 19. Market stall holders will be required to adhere to any current pandemic restrictions.
